

The Lower Vancouver Island Baseball Association operates four baseball teams for players aged 13 to 18 – the Victoria Mariners Bantam, Premier and Junior Premier Baseball clubs. These young men are selected from among Victoria's finest baseball players. Each has shown a desire to play baseball at a higher level of skill and competition, and each has made a commitment to the many hours of practice and the longer season of the BC Premier Baseball League.

Our program's goal is to provide a positive influence on the youth of our community through baseball by developing their skills and fostering self-discipline, devotion to the game and loyalty to their teammates.

The costs of travel, uniforms, transportation, field usage, league fees and umpires are significant. One of our goals is to make the program accessible to any player, regardless of their family's financial ability.

If you would like your business to be recognized as a supporter of youth sport, and contribute to the accessibility of elite high school baseball in Victoria, we hope you will consider placing an ad in our annual program and/or on our website.

Please take a few moments to review the rate schedule. It is important that we have your commitment by March 31st, 2019. For more information or if you have any questions please contact us through the Mariner website www.victoriamariners.com

Thank you for your support – we look forward to seeing you at the ballpark!
